

# Sameer Sharma - Full Stack Developer

Email: jangidsameer26@gmail.com

Mobile: +91 8302048187

Address: Bindayaka, Jaipur, Rajasthan

Date: 20 Jan 2025

## Career Objective

I specialize in developing clean, responsive, and user-centric interfaces that deliver a smooth and intuitive user experience across devices. On the backend, I focus on building secure and scalable systems, implementing robust authentication and authorization mechanisms, and following industry best practices to prevent vulnerabilities and ensure safe, reliable data flow.
